Tri-section Gift Card Holder **October, 2023**

Cardstock **Real Red**
DSP **A Walk In The Woods**
Stamp Set **Christmas Classics**
Ink **Real Red, Pretty Peacock**
Punches **Hexagon punch, Bough punch**

Card Base:

Real Red **6 by 8.5 in. score at 4.25, then turn and score at 3 in.**

Using your paper trimmer, remove the top LEFT Section of your scored paper. First come down the 4.25 score line to the middle. Turn your cardstock Remove 1/8 inch UNDER the score line so the gift Card holder section will fold easily.

Real Red **Taking the removed section, cut down to 2.5 by 4 inches to create the pocket.**

Real Red **7 1/2 by 1 inch - belly band**

DSP:

A Walk.... **4 1/8 by 2 7/8 inches - CUT 2 pieces. This is for the top RIGHT section that folds down, front and back.**

4 1/8 by 2 3/4 inches - cut 1 piece for the backside of the Pocket flap.

3 7/8 by 2 3/8 inches - on top of the pocket mat.

White **4 1/8 by 2 7/8 inches - cut 1 piece for the message.**

Scraps **white, real red, and garden green for label, and Foliage around label**

1. Fold and burnish all scored lines.

2. ***Stamp sentiment and pine branches, berries on the front Hexagon label and also the basic white mat.***
3. ***Adhere the basic white mat to the inside of the card holder (bottom right section)***
4. ***Adhere the larger DSP mats to the top right section***
5. ***Adhere the smallest mat to the real red piece for the pocket.***
6. ***Using the hexagon punch, punch a small thumb hole for the pocket. Adhere the pocket to the bottom left section of the card base with tear and tape.***
7. ***Adhere the remaining DSP mat to the backside of the pocket section. Fold card closed, with first the pocket section, then fold the top down.***
8. ***Using a small piece of scotch tape wrap the belly band around the card and adhere the ends of the belly band by overlapping. Be sure the scotch tape will be hidden by the hexagon label, and the belly band slides on/off easily.***
9. ***Cut the real red hexagon label in half and adhere to the top and bottom of the white hexagon label creating a mat.***
10. ***Attach the bough punched pieces for greenery and berries with glue dots.***
