Suite	Made With Love
Stamps	Endless Love
Ink	Real Red
DSP	Made With Love
Dies	Endless Love
Card Stock	Flirty Flamingo, Real Red, Basic White
Misc.	Red/White Baker's Twine, gems

Real Red **5 ½ by 8 ¼ inches, score
At 1, 2, 3, and 4 inches
On the long side**

**4 ½ by 4 inches, score
½, and 1 ½ inches on the
Short side**

DSP **⅞ by 5 ⅜ inches - cut 3
⅞ by 4 ⅜ inches - cut 1
2 ⅜ by 4 ⅜ inches
3 ⅜ by 5 ⅜ inches
(I used 3 different DSP
Patterns in my card)**

Basic White **4 ⅛ by 5 ⅜ inches**

Fold Real card base pieces on the score lines.

Adhere the DSP strips to three of the scored panels, leaving the far right without any DSP. Adhere the far right scored panel with adhesive so they create a 4 sided column.

Adhere the larger DSP mat to the card base, on the right side of the column.

Adhere the short strip of DSP to the 1 inch panel on the small card base piece. Adhere the small rectangle DSP mat to the far left panel on the small card base piece. Adhere the far right ½ inch strip of this panel to the larger card base, being sure when the card lies flat it will fit into the regular sized Stampin' Up! Envelopes.

Stamp greetings on the two narrow labels, and also the verse on the large white mat.

Glue the Flirty Flamingo decorative dies to the Real Red hearts. Attach the white narrow labels to the hearts with baker's twine. Adhere the hearts to the front of the card base with dimensionals.

Adhere the large white mat to the back of the Real Red card base.
